Bits and Pieces

It is so hard to believe that the Holidays are fast approaching. I find it hard to believe that the stores are actually decorated for Christmas, and Halloween hasn't even passed, which makes it the twelve weeks of Christmas instead of the twelve days of Christmas.

Speaking of Christmas, our Christmas party will be Saturday, December 4th, at Ferfolia Funeral home. I wanted to let you know the date, as it is early in December. I am not sure if you all know that the Crown Classic Dog Shows are a bit later this year. The dates are December 16-19, 2010. Details on the party are on the enclosed flyer. Mark your calendar!

It was brought to my attention recently that Donna Turchanik has undergone another knee surgery. We hope you are doing well, and will be out dancing again soon! We especially need you in February for the Award's banquet!

It was nice to have Shirley Boyer join us at the October meeting. We missed you Shirley, as well as your current updates from AKC. We hope you continue to improve, and spend some time with us.

Our condolences to the Payners on their recent loss of Jake. We all know how hard it is to lose a special friend, and we know how much Jake meant to you both.

It was nice to hear that the Fall field trial was a successful event, even with the couple of days of hot weather. It is a huge amount of work, and time spent down at the trial, so it is gratifying when it can also be a financial success. Great job to Jeannie and her hard working committee.

If anyone is aware of any news regarding the club members, can you please let me know? Sometimes I don't hear it all, and I would like to acknowledge anything, especially illnesses.

See you in November!

Jackie

RESCUE REPORT

For October, rescue still has Diamond, a female 3 years old, very bird, and needs a 6 ft. fenced yard. She doesn't like other dogs but loves children. We thought Diamond had found a new family recently, but unfortunately the folks had a 4 ft. fence and she can jump that easily.

Hattie is going to be adopted by Father Joe, a priest in Maine, who oversees 14 parishes. His last Ohio rescued Irish Setter has recently passed away and Hattie loves travel and people, so she is a perfect fit.

Thank you to Rusty and Tina Laybourne for again remembering rescued Irish Setters with a generous donation.

Sue was recently telling me about a fellow who put his 2 Irish Setters in the car, and several blocks away from home, looked in the rear view mirror and only had 1 Irish in the car! Seems the other had stepped on the automatic window latch and it went down enough for her to jump out. He quickly drove back the way he had come and there was the dog sitting on his front porch! This had a happy ending, but check your doors, a lot have child proof latches to activate so you keep children (and Irish Setters) inside the car!

Sunday is Howl o ween, so if Trick or Treaters are coming to your door, be sure your Irish Setter is in a secure area and can't get out.

Meet Marley

If you have been at the Ronald McDonald House of Akron lately, you may have noticed a new furry four legged friend!

Marley is a 7 year old Irish Setter and a registered therapy dog who is a member of the Akron Children's Hospital Doggie Brigade. Recently, Marley began coming to the House and offering amazing joy to our guests and staff. Marley's owners, John and Connie Trier, are kind enough to allow Marley to visit. Here are some fun facts about Marley!

Full Name: Kilkierans Southern Cross Marley

Birthday: March 29th

Favorite Musician & Namesake: Bob Marley (which is why you will often see Marley wearing braids and beads in his hair!)

Favorite Activities: Running, running away from the yard, chatting with neighbors while on a walk, being groomed, and napping on the groomer's lap.

Career Highlights: Loves visiting nursing homes, the College of Wooster, participating in bite prevention for grade school kids and assisting his owners in ringing the Salvation Army Bell. Marley has also been a member of the Akron Children's Doggie Brigade for 2 years. Luckily for us, his newest addition to the mix is visiting Ronald McDonald House of Akron!

Marley owns and loves John and Connie Trier who came to our last meeting and attended the Summer Specialty. Keep up the good work Marley!
