Bits and Pieces

Wow! Where do I start? I guess I begin with all the people that were there to help Larry and I. We sure could not pull off back to back specialties with such success without all of you. The hospitality was great Mary, and Donna did such a nice job serving breakfast. The hospitality job is one I sure wouldn't want. We really appreciated the side dishes that were brought on Saturday, especially to Bob and Sara for all the chicken! The raffle was outstanding. Thanks to Victoria, Mickey, and Diane. Victoria was able to garner so many nice ticket items, and the display was beautifully arranged and ran smoothly. The raffle proceeds were nearing the \$900.00 mark! Thanks to Sharon and Shari for their work on the patron's page, and thanks to all of you who donated to the trophy fund. A special thank you to Shirley for donating the nice pewter piece for the Best Puppy Award in memory of Betty. I know she was looking down on us! The display table in Betty's honor was very nice, and there should be a picture of it on the website when available. And of course, thanks to Ron who works so hard at the grounds for so many days. Thanks to all of you who offered to help in any way. The good news is, we did quite well financially, and we ordered cooler weather for next year!

I have spoken to Shirley, and she is still working hard on her physical therapy. She is getting stronger every day, and I know we will see her show up one of these days. We miss you Shirley, and when you are ready, give us a call and we will pick you up. I can imagine how hard it can be to be taken from the high activity level that you were used to. Keep up the therapy and you will be back with us soon, I know it.

It was nice to see Gary and Marianne at the Saturday specialty. They stayed the whole day, right up to Best of Breed, even though it was quite warm. It was nice to see so many members that we don't get to see that often. Dick Lamb also stopped by with his granddaughter. It was a nice gathering of "oldies", meaning longtime members of course.

I have finally taken the second step to having a hip replacement. I think sometime in October might work. Everyone tells me how easy it is, and I hope they are right. October is good as it is after the specialty and before the Crown Classic. It is strange how our lives revolve around dogs and dog events. I have been putting it off because I have yet to find a hospital that will let me bring my dogs! They are quite spoiled and will not understand me leaving without them.

As many of you know, the Johnstones reduced their number of dogs, and Peggy Berardinelli took Bubbles, and I now have Mari. Both are 3 years old, and have adjusted quite well. Thanks for trusting us with these girls.

Our next event is our Fall Field Trial held in conjunction with the ISCA Gun Dog Classic, Dresden, OH. The Classic is September 23rd and 24th, followed by our trial on the 25th and 26th. Jeannie has sent out the premium lists and if you need more information, please

contact her. If you need a copy of the premium list, I can send that to you if you email me. Entries close September 18th.

Our next meeting is September 18th, which is also the day of the Doggie Doo in Oberlin. Pat and Sue usually have our rescue booth on display. It is a very nice event held at Tappan Square, downtown Oberlin. Bring your dog for a day of fun. LCKC has a "Meet the Breeds" next to us. This will be a busy day for us!

See you in September!

Jackie
