**ISCO RESCUE REPORT**

May was so rainy and wet and June is starting out in the 90's. Rescuing Irish Setters in Ohio has some interesting moments.

This week we are working on a year old male, Clancy. Rescued from Craig's List at 6 months old, he's become an escape artist. Broke out of his collar, pulled the stake tie out of the ground, has gone through a screen door- he's an Irish Setter puppy left alone too much, for too long. The neighbors are complaining and have started calling the cops, so he needs to find a new home with secure fencing.

Had a call from a man who took in a young Irish, 3 months ago, and now decided he doesn't have time to train him AND today the puppy went out and rolled in the mud and was all dirty. Can rescue come get him this minute? Can't put him in his Corvette, ya know, it would get dirty. If he's not home when we get there the puppy is tied out in the garage. Rescue was on the way and we got a call back - he supposedly had just given the dog to a friend, in the country, who has a farm :((

Jan Zeich, in Illinois, has an article on her web page about a man in Illinois, who asked a friend to drag his Irish Setter behind his truck for miles "to get rid of the dog." Horrific. The trail of blood in the road was followed by police back to this man's house and the dog was found buried in the yard. Why didn't he take his dog to the pound?

There are some real sicko's out there. Jan has a petition to sign to put this imbecile away for many years on animal cruelty - and his trucker friend too!!!

Darby was adopted this weekend by a lovely couple in N. Canton, whose Irish died this winter.

We still have 3 year, Diamond- loves to sit and watch birds all day. Sheila, is 2, spayed, shots, heartworm clear, housetrained and crate trained. Does NOT like small dogs or cats. Molly is 8, a couch potato, loves everyone, very nice companion for an older person.

Hug your Irish Setters and keep them safe and happy and loved.

## **Irish Setter Club of Ohio at the Duct Tape Parade!?!**

You've braved the snow, rain, and sleet in March for the St. Patrick's Day parade... why not enjoy a much better weather parade? (No promises on the weather.)

Please bring your Irish Setter(s) to the Avon Heritage Duct Tape Festival Parade and come walk with us in the **Duct Tape Parade** on **Saturday, June 18, 2011!**

The parade begins at Avon High School, 37545 Detroit Road, Avon, Ohio 44011.

The parade ends at festival grounds 3701 Veteran's Memorial Parkway (approximately 1.2 miles) Check in time is between 8:00AM - 9:30AM.

The parade will begin at 10:00AM (PROMPTLY)

I will provide more details as to where we should meet as I get them. IF no location is given before the date of the parade we should meet at the registration desk at Avon High School parking lot.

Please let me know if you can make it! We will be making **DUCT TAPE COLLARS** for all the Irish Setters that are planning on attending. Advanced notice will be **MUCH** appreciated!

Hopefully this will be a lot of fun, let's have lots of redheads!

### **Bits and Pieces**

It is with sadness that I have to inform the members of the passing of Jean Winegord. Jean passed away on April 6<sup>th</sup>, at the age of 95. Jean has been a Life Member of the club for quite some time, and always supported us generously with trophy donations. I will miss her notes and letters, where she never failed to mention her Champion Irish Setter and heart dog, CH. Argo Lane Ruxan's Squire. Her hand writing was always so beautiful and perfect that I was sometimes amazed by it. Her next door condo neighbors, the Dire's, informed me of her passing, but a couple of weeks later. I spoke with David Dire, and he told me that Jean was like a mother to him and his wife. They watched over her, and she was self sufficient until April 2<sup>nd</sup> when they had to take her to the hospital for an ulcer. Before that, she had not had any symptoms. The doctor told them she would be released and sent home, so it was a shock when they got the call that she had passed away. He is sending me a recent picture of her for our Specialty catalog. He would also try to gather any Irish Setter items that we may want for the silent auction to support rescue. I hope to meet him sometime later in the year. Jean has now joined Everett, her husband, and Squire.

I was also informed of the passing of Don Bresnahan. Don and Val were members of ISCO for many years and started many of us in the Irish Setter World. If it wasn't for Val, Ron and I would not be involved in dog clubs like we are today, and I cannot imagine what we would be doing with all the spare time. We would not trade our love for the Irish Setter for anything. Don passed away on May 26<sup>th</sup> at the age of 82. The Bresnahan's showed dogs under the kennel name Donoval. Time goes by so fast.

On a brighter note, Victoria Lindeman has contacted the folks who run the Avon Heritage Duct Tape Festival. This is a big thing for the Lorain County area, and she managed to get them to accept us in the parade. If you are interested, please let her know as she will make duct tape collars for the Irish. Her flyer is enclosed in this newsletter. The date is Saturday, June 18<sup>th</sup>, and the parade will begin at 10:00 am. I am sure this will be better weather than we have had in the past at the St. Pat's Day Parade. Let's get some redheads together and join her! Check out the flyer for all the details!

We hope Lorraine Smith is feeling better after a recent trip to the hospital. It is my understanding that she is back home, which is great to hear. Hope all is well, Lorraine.

We were surprised to see Dan Tylicki at the last meeting nursing what was a broken elbow from falling from a ladder in his chicken coop. This is not a good thing for a music teacher and big band player. We hope you heal fast and can get back to your duties. I certainly hope those chickens didn't push you!

There will not be a July newsletter so anything needed will have to be sent out by email. At this point, the match and potluck will be July 10<sup>th</sup> at LCKC Park, as it has been in the past. I still need to get with Donna for the particulars, as she has offered to chair it once again.

The upcoming August Specialty is also fast approaching. I will send out cards this month, asking for your help in donating to the trophy fund. We have to buy twice as much because of the back to back shows. You could really help us out if you can send your donation in and save me sending you a reminder card. I know how easy it is to put things on the back burner. Please make your check out to ISCO and send to Ron or me, at the address on the front of the newsletter. I really hate to ask for support in these tough economic times, but any help will be sincerely appreciated. If you will be attending the Saturday show, Mary Payner will be serving cold cuts for sandwiches, and any salads and side dishes would be greatly appreciated. Our Friday show will just be hot dogs, chips and brownies as we have done in the past.

Good news! I think we will have the covered pavilion this year, and the concrete floor is much easier to set up things, especially if it rains. If you have any thoughts or questions, please feel free to call or email me.

The board has decided to cancel the June meeting as so many people are so busy this time of the year. The next meeting will be July 10<sup>th</sup>, the pot luck puppy match. We hope to see you there!

Jackie
