Bits and Pieces

As I write this I am thinking of the members at the Spring Field Trial this weekend. "Spring" being the word that doesn't quite seem right as it is now 27 degrees at 8:00 pm on Saturday evening. I am sure this is easier on the dogs than 90 degrees, but seems pretty rough all the same. I know the committee works hard, and I hope they are keeping warm! I am sure Jeannie will have the complete report after the trial closes tomorrow.

The St. Patrick's Day Parade on the other hand, was beautiful, and one of the nicest days we had in a few years. It was near 70 and sunny, and we had 13 Red Heads participating. I decided to go and expose Mari to the real world. She did fairly well, but was not fond of the two drum bands next to us. It was nice to see Sue Musil, the Trier's, the Kristoff's along with Victoria and Mickey Lindeman who brought cousins along to carry the banner. We also had a few join us that had rescue dogs and Neil who always comes with his Irish. Thanks to Victoria for chairing the parade, and next year we will be in the first division! Mari and I made it in our local paper, they must like to take pictures of the Irish as Shauna and I were in a few years ago too.

Our sympathy to Shirley Boyer who lost her brother on March 18th. Her brother Charles, lived in Moberly, MO, but was raised here along with the rest of the family.

The Annual Awards Banquet seems so long ago, but since we skipped the March newsletter, I would like to thank Donna for a fine job with the awards, and congratulate the winners and the title recipients. The result will be published elsewhere in the newsletter. Special thanks to all those who brought items for the silent auction. The proceeds were deposited into the rescue account.

Speaking of rescue, thanks to Pat and Sue for watching out for those who cannot watch out for themselves. Jan Vance sent a nice donation along with her annual awards payment. Jan, although many of you do not know her, has been a supportive member for many years.

Tom and Barb Johnstone had to cut their Florida vacation short when Barb fell on the blacktop at the campgrounds. It was dark, and she did not take a flash light with her, resulting in a broken nose, finger, and stitches in her head. Hopefully, she is on her way to recovery.

Special congratulations to Sharon and Larry Reilly for the Best of Breed and Group 2 win at Westminster. Windy just keeps on flying, and still looks beautiful at 8 years old. It was so nice to see her on television representing the Irish Setter in the Sporting group.

Welcome to the board Connie, and I am sorry that you had to take the minutes at your first board meeting. Betty was unable to come, and I had promised Shari I would go to a local euchre tournament with her.

I received an email from the Lagoa's who have been very busy lately, but hope to join us at a meeting in the future. Their daughter Isabella will be 4 soon. Wow, I still think of her as a toddler!

Greg and Cindy Galiati have a new puppy. His name is Jackson as they picked him up on President's Day. I am sure we will be seeing him in the show rings soon! Have fun!

See you in April,

Jackie

RESCUE REPORT

I must be living right. The Feb. Awards Banquet and Rescue auction weather was 50 degrees and a balmy quiet night. Lovely. 2 days later we were hit with another snowy, icy blizzard!

Thank you to Jackie Caffo and Kathy Tylicki for all their help with the auction, and Dan for his excellent bookkeeping. We made \$266 for the ISCO rescue fund. The bidding items included farm fresh eggs, Cleveland Browns sweatshirts (thanks to Pittsburgh fan Mike Heasley), Irish Setter statues, aprons, my sister's famous homemade fudge, dog toys, dog beds, picture frames, leashes, lamps, wine, embroidered towels, leashes, tickets for the ISCA raffle (Good Luck, hope they win !) - we had something for everyone! Thank you to the members for their generous giving and bidding.

Ridge was adopted by a family in Pa., they have another rescue and the 2 boys already are best buddies.

Buddy was returned to his owners; they just can't give him up, and plan to continue working on his obedience training. Currently in rescue we have-

- 1) Rusty- big, handsome, alpha personality, a lover, but has a mind of his own. Big on carrying stuffed toys everywhere:)))
- 2) Frank - male, seriously needs to diet, 88 pounds, big couch potato, very easy going fellow- about 4 years, neutered.
- 3) Diamond - female, loves children and loves attention. Needs fenced yard.

Rescue is looking forward to spring, but every time I say that it starts snowing!
