RESCUE REPORT

Another ISCO Specialty has come and gone for August. It was nice to see so many members, some we only get to visit with each year at this show ! Congratulations to Jackie and Larry for making such a big job run so smoothly. One of my friends from the East Coast told me, at their club meetings during the summer, the talk is all about planning to attend our Ohio show in August ! ISCO rescue had a table set up with our donation puppy posters and a big thank you to all the folks who left donations and took home a lovely Irish Setter puppies photo poster to enjoy.

Thank you to Gary for donating a big box full of stuffed toys for the rescues to enjoy.

And Thank You to Golden Barkery, they made a donation to the rescue fund using the Paypal button on our club web site.

We have a new girl in rescue, 5 year old "Clover ", an owner turn-in due to owners health problems and recently lost her job. She is semi-housetrained, friendly with other dogs, small about 45 pounds.

John and Connie Trier will have an ISCO rescue booth at the Quailcrest Farm Dog Rescue Walk-2810 Armstrong Road, Wooster, Ohio - Sat. Sept.17th - 10 - 2 pm.

Anyone wishing to attend can also get more information at www.waynequestdogrescuwalk.com

John tells me they have lots of vendors' booths and also an auction of autographed celebrity items.

Hope to see you all at the Sept. meeting!

Bits and Pieces

I am not sure where to start, but Larry and I would thank all of you who so kindly donated to our specialties this year. We were very concerned that with the economy, donations and entries would be drastically down. This was not the case, donations were way up, and entries were only slightly down, much better than many of the shows. Our judges were kind to us, and very generous to the club when presenting the bill. All in all, the show was a financial success. Thanks to all of you for bringing food to the hospitality area. Everything worked out perfectly! Special thanks to Mary Payner and Donna Turchanik for all their hard work on the hospitalities. They did a beautiful job feeding the exhibitors. Also, once again, thanks for the fantastic and well organized raffle. Victoria Lindeman, along with Mickey, solicited our prizes and did a fantastic job displaying them. The baskets were lovely too. It was especially nice to read the nice comments on the Setters discussion list about what a nice job the Ohio club does. It makes it all worthwhile! I guess I should mention Ron and LCKC who make the grounds look so nice for us. LCKC even donates a huge cake! And of course, the weather was perfect! What more could we ask?

It sure was nice to see some of our present and past members at the shows: Mariann Downing, Gary Buehner, Shirley Boyer, Peg Berardinelli, and of course the Anglens and the Johnstones. Mariann won the great ring side chair, although I think she really wanted the wine or Margarita basket. I put many tickets in the chair bag, but all was not lost as I won one just like it at the LCKC raffle the next day! I decided to take a ride down to WRKC at the polo field, and of course I forgot my chair! I haven't been used to going to dog shows to watch!

Sarah Kulinski is still having major issues with the arm that she broke falling over one of the redheads in her home. It has been re broken and surgically repaired twice now. We sure hope you get well soon, and that the arm is as good as new as soon as possible.

Speaking of surgeries, many of you know that I have finally given up holding off on my hip replacement. If by some miracle I am able to make it to the meeting, I hope to see you there. If not, I hope to be at the Doggie Doo Irish Setter Rescue booth October 1st. I have no idea what to expect, as each surgery is an individual thing, and each patient responds differently. I hope to be one of the ones that bounce back fairly easily, as we don't want to lose our Treasurer to starvation. Although I have enough food stored in the freezer that he will be fine. I am really more concerned about Mari and Maggie who never let me out of their sight. To them I am the "Alpha Bitch", but more importantly the food source! If I put my shoes on, they beat me to the door. Watch dogs they are not, if I am not home, neither are they!

September is our fall field trial:

FALL FIELD TRIAL-SEPTEMBER 24-25, 2011 TRI VALLEY, DRESDEN, OH

ISCA QUAIL CLASSIC-SEPTEMBER 22-23, 2011

I am sure Jeannie and her hard working committee can use the some help if you have some free time. Please let her know if you can help. More details at the website: www.irishsetterclubofohio.com Good job Diane!

I heard from the Trier's, and I am very sorry to announce that Marley, our redheaded ambassador, is retiring due to health issues. Marley will miss his time with the children at Ronald McDonald house, and the Akron Children's hospital. Marley is a gentle, sweet soul, and I know he will be missed by the children as well. His buddy Ziggy is still in training to help take over his duties. Hang in there buddy!

Ron will have a copy of the financial report for the specialties at the September meeting, along with an updated treasurer's report. I really hope to be there!

Jackie
